

Dear Sir/Madam,

Greetings from the Delhi University Computer Centre (DUCC)!

We are pleased to invite your esteemed Department/College to nominate women students for “**STEM connect HER**”—a dedicated initiative aimed at bridging the gender gap in STEM fields. The program includes **expert-led sessions on Cybersecurity and Career Counselling**, facilitated by industry professionals.

This initiative is designed for **women students** enrolled in **B.Sc. (H) Computer Science, B.Tech., M.Sc. Physics, Electronics, Informatics, and other related STEM programs** of the University of Delhi.

Tentative Week of Training: December – January 2025

Venue: Delhi University Computer Centre (DUCC), University of Delhi, Delhi – 110007

Departments/Colleges are requested to nominate **up to 10 women students** using the registration link below. Please choose a preferred week of training while filling the form.

Registration Link: <https://www.forms.du.ac.in/mac/view.php?id=196182>

Last Date for Registration: *18th December, 2025*

Please note: There is no training fee for participating students

Those who have already registered need not register again

Important Notes:

- Due to limited capacity (maximum **200 girl students**), nominations will be considered on a **first-come, first-served basis**.
- **Only shortlisted students** will receive confirmation of selection via email.

We look forward to your support and active participation in this initiative to empower and inspire women students in STEM.

In case of any queries, you may reach us at training@ducc.du.ac.in

Warm regards,

Delhi University Computer Centre (DUCC)
